

Iowa Governor’s STEM Advisory Council
Guidelines for

STEM BEST®
Businesses Engaging Students and
Teachers

Examples of match may include:

Community Partner

- Facility usage
- Employees’ wages for those who co-teach
- Donated equipment or allowing use of equipment
- Travel to a related meeting/conference
- Time of business/industry’s designated STEM BEST® liaison
- Crew travel and food
- Planning costs if occurring within the contract period
- Site visits to workplaces or other STEM BEST® Partners or analogs

Applicant/School

- Professional development between business and educators
- Coordinator and workplace development support
- Adaptation of space for STEM BEST® use (outside what grant would cover)
- Any related purchases – curriculum, technology, materials, equipment
- Marketing and promotion activities
