The Weitz Company

## **Part I: The Weitz Company**

The Weitz Company is one of the oldest general contractors in the United States. We have forged our reputation by constantly seeking new construction innovations and technologies that provide our clients with predictable, reliable and collaborative services. Our financial strength, longevity and stability through more than 160 years of economic cycles has positioned us as a recognizable leader in the construction industry.

## **Part II: Job Specifics**

Commercial -Guided by our purpose of Building a Better Way, our approach begins with the end in mind. From large, complex projects to small, tenant improvements and work for not-for-profits, we use every tool in our kit to deliver results that exceed customers' expectations.

## **Part III: Introduce the Problem**

- How can we, as job-site superintendents, look for ways to save time when building this hotel, so that we still meet our deadline?

## **Part IV: Background**

- Ways to be more efficient in the construction industry.
- Innovative ways to bring prefabricated things to the jobsite.
- Ways to meet deadlines in the construction industry.

## **Part V: Business Solution**

- Weitz hired a third party to prefabricate all the hotel bathrooms offsite and shipped them to the hotel to install.

## **Part VI: Student Solutions**

- Hire a night shift crew
- Get more people to work there during the day
- Work weekends
- Hopefully come up with ways to prefabricate
