

*All the way to Florida*

**Shenandoah MS**

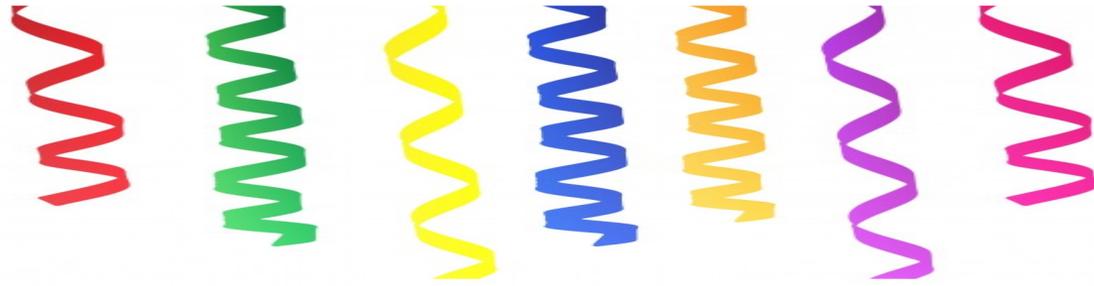

**National Ten80 success**

Goal of the STEM Scale-Up Program:  
To help every student cultivate **21st Century Skills** through team-oriented challenges. Every Student **STEM Challenge** addresses a different set of concepts and skills, including the **innovation process** that drives today's economy, civil society and public institutions.

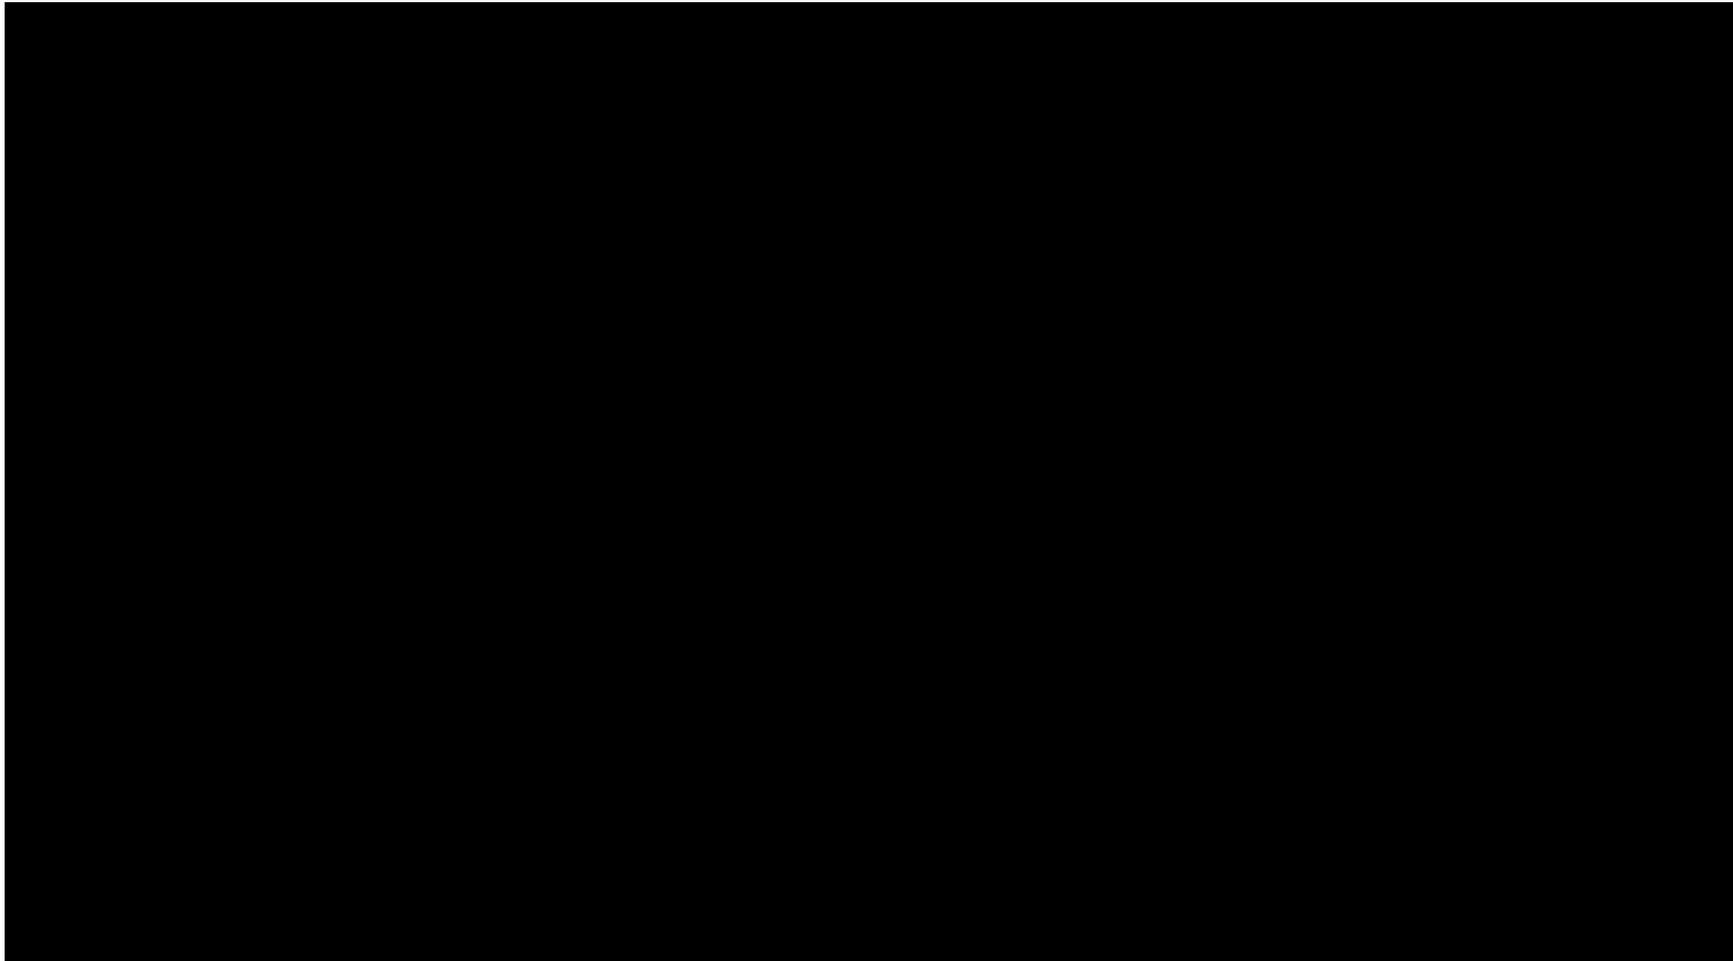

STEM

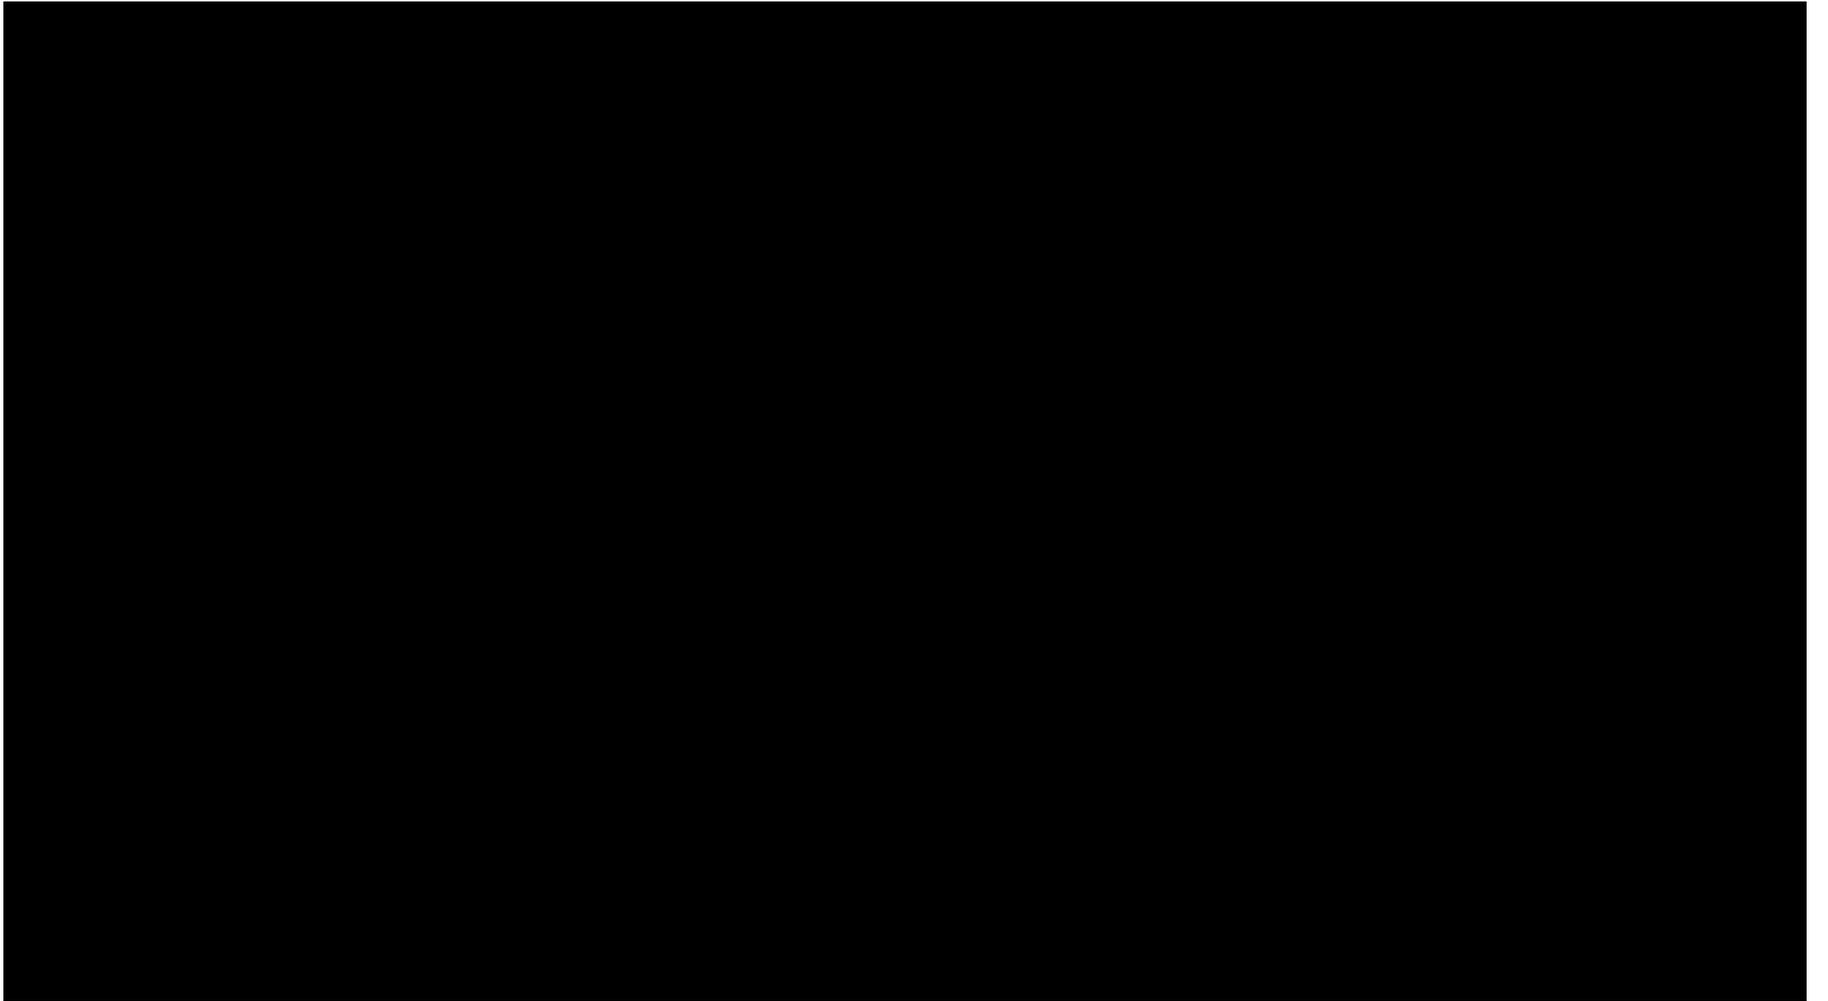

## Eligible for the National Florida Challenges

- *Fundraising*
- *Riding a bus to Florida*
